

# Explore Benson + Country Club!

---

**1**

## Start off on the right foot

We start with dinner at one of Benson's great restaurants — Yoshitomo, Au Courant, Ika Ramen, Barchen, etc. Whatever your craving you'll be able to satisfy it here!

**2**

## One more stop before the show!

After dinner, it's a pre-show drink at one of Benson's bars. Want a nice cocktail or a craft beer? Krug Park, Infusion Brewing Co, Reverb Lounge, or Benson Brewery have you covered. Want something a little more casual? Burke's Pub, Jerry's Bar, or Barley Street Tavern will do the job.

## Time to jam!

After drinks, it's a show at the Waiting Room Lounge. Whether it's a local band or a national touring act, there's likely something good going on at the Waiting Room.

**4**

## Drinks anyone?

After the show, it's time for a nightcap at Kaitei, a craft cocktail bar located below Ika Ramen and Izakaya, which features Japanese-inspired drinks and a wide selection of sake.

**5**

## Need a late night snack?

If the concert, drinks, and walking around Benson have worked up a hunger, a stop at Star Deli (open until 2:00 a.m. on Fridays and Saturdays) for one of Omaha's best sandwiches will certainly take care of it.
