

Explore Council Bluffs!

1 Feeling like some happy hour action?

Head to the Black Squirrel, Caddy's or Barley's for a cocktail after work on East Broadway. Lidgett's Music shop is also great if you're in the market for a new axe.

2 You must be famished!

Head over to Lincoln's Pub across the street for a delicious meal. Next time you're in town be sure to visit 712 Eat + Drink — it's a neighborhood favorite

3 It's a beautiful day outside!

If you're feeling adventurous, bike ride to Mineola on the Wabash Trace! Venture back on a Thursday for the Taco Ride — a scenic trek through the Loess Hills ending with dinner at the Mineola Steakhouse. This is a social event filled with cycling, scenery and a festive, party atmosphere. Everyone agrees that Thursday on the Wabash is something special

4 Put the bluffs in Council Bluffs!

Most Omahans never go east I-29 in CB, but there is so much to see in those hills. Visit the Lincoln Monument, Fairmount Park, or Lewis and Clark Monument and Scenic Overlook for great views of Council Bluffs and some amazing architecture. Don't forget to touch the *Black Angel*. (We dare you.)

5 But one more thing!

Return to the 100 block for a fun night on the town! The strip is turning into a booming block for food and drinks where you can see a little bit of the old with some of the new as this block is growing fast!
