

Explore Field Club + Center St.

1

The sun is shining, the birds are chirping..

Pick up a picnic lunch from Farine & Four. Make sure to get a sandwich and also a sweet bakery treat to enjoy with a friend, your family or by yourself.

2

Time to take a stroll

Take the picnic to Hanscom Park or the Ford Birthsite and Gardens. (As in President Gerald Ford. That's right, he was born here in Omaha.)

3

Feeling thirsty?

Walk over to Center Street and try a beer at local brewery Vis Major. Or head down the road a little bit to Paddy McGown's Pub and Grill.

4

**Riding a bike?
(Would you like to?)**

The Re-CYCLE bike shop is a perfect place to stop for a tune-up or browse their inventory of second-hand, revamped bicycles. It's also a great place to donate your bike when you're ready for an upgrade.

5

Hungry Yet?

The Greek Islands is locally-owned and fantastic! They serve their cheese on fire and their chicken riganato MELTS off the bone. You'll be yelling "OPA!" before you know it.

A very special thanks to our contributors: Melissa & Madeleine
