

# Explore Millard!

---

## 1 The early bird gets the worm!

Fuel up with breakfast or brunch at Shirley's Diner — arguably the best chicken fried steak in town!

## 2 It's a beautiful day outside!

Chalco Hills Recreational Area — try your luck fishing, relax with a picnic, or bike/walk/run on the over seven miles of trails. Also pooch friendly so bring man's best friend with you!

## 3 Time for some respite from the sun to cool down and rejuvenate!

Addy's in Millard is the place to be to cool down. Grab a bowl of your favorite beer, play some Keno, and soak up the A/C.

## 4 The day is not over yet!

Boulder Creek has something for everyone. Two 18-hole mini golf courses to choose from, a 24-foot Mount Boulder rock climbing wall, and Nebraska's largest outdoor batting cage complex that includes baseball and slow and fast pitch softball options!

## 5 You must be famished!

Choo Choo Bar & Grill has been serving the neighborhood for YEARS. The wings are fresh, the beer is cold, and the atmosphere is friendly.
