

Explore Arbor Gate + West Omaha

1

The sun is shining, the birds are chirping..

Zorinsky Lake Park is the place to be. Walk, run or bike around the lake, try to catch some fish, or enjoy one of the multiple picnic and game areas!

2

You must have worked up an appetite

Dante's Pizza is legit. But if you are wanting to branch out? Chaima African Cuisine is a must. (Best African food in town.)

3

Looking to do some shopping?

The Shoppes of Legacy have a lot to offer. But one of my favorites is Rush Market in Lakeside. It has insane, close-out prices on stylish furnishings and more. Just join the mailing list and you're in.

4

Dinner ideas?

Some of your favorite restaurants located downtown and in midtown are also out west. Avoid the commute for local favorites including Blue Sushi, Shucks Seafood, Pitch, Roja, Jams and more.

5

Feeling thirsty?

Make a quick stop at Island Blends on 132nd street for a juice or smoothie on your way home. This unique West Omaha smoothie shop is run by Mosaic, which puts adults with intellectual disabilities to work.
