GOAL

People: To fuel the businesses of the region, we are committed to accelerating the growth and capability of the regional talent base. Working with businesses, schools, and other public partners, we deliver programs and services to attract new talent to the market, support the training and development of existing workers, retain and grow our Young Professionals, and expose area students to future career pathways. These talent efforts are focused on high wage, high growth sectors, with particular emphasis on tech talent.

We will continue to focus on an economic development strategy that targets high wage, high investment and high innovation opportunities. This effort is concentrated on opportunities that expand the economy by supporting those companies that sell their goods or services outside Cass County and the region. It is accomplished through an aggressive regional business expansion strategy, targeted business attraction efforts, small business support and an innovative business startup campaign.
