

2026 Sponsorship Opportunities

2026 Opportunities

Partner with us. Invest in what’s next.

Behind any business is the people who power it.

When you partner with the Greater Omaha Chamber, you gain a connection to the beating heart of Omaha’s business community.

Chamber signature events draw thousands of people across industries and sectors to spark growth and new ventures. Sponsorship of these events gives you direct access to leaders, decision makers, and influencers.

Additionally, sponsorship of Chamber events and programming extends beyond the venue to nearly 50,000 professionals through the Chamber’s networks, publications, and platforms.

But the value is deeper than impressions or metrics. Your business will be positioned as a fellow leader in the Chamber’s mission of growth, inspiration, and strength of Greater Omaha’s business community.

Sponsorship opportunities are designed with multiple levels, giving you the flexibility to meet your business goals and create the impact that is right for you.

Connect with our team to create a partnership that ensures your business is a driving force in Greater Omaha’s future.
