## WHAT IS THE ANNUAL MEETING? THE FORMULA FOR REGIONAL PROSPERITY.

The Greater Omaha Chamber's prestigious annual membership meeting is where the Chamber's immediate past chairman recaps the accomplishments of the prior year, the Chamber's President and CEO unveils the annual report and the newly installed chairman presents the Chamber's priorities and direction for the current calendar year.

The Chamber also honors distinguished contributors to Omaha's image and community betterment through three awards presented during the meeting – the Chairman's Award of Excellence, the Headliner of the Year and the Volunteer of the Year.

The 2022 event will include a compelling presentation on leadership and include a unique approach in reporting key accomplishments by engaging regional leaders to highlight the Chamber's purpose and past year's successes.
